Cameron US 77 North Heads Road Bid Call

FIRE FIGHTERS -- Cameron Volunteer Firemen fight the fire which completely destroyed the Robert Halpain home last Wednesday. The fire was probably caused by defective wiring according to John Eanes, Fire Marshall. The house was a total loss. Firemen are from left, John David Thompson, Lawerence Jetter, Archie Goodman, Jerry Mikula and Joe Humplik. Staffoto

By FML

Noted in an area daily newspaper; a help - wanted ad for Central Texas sales representatives for the new baking concern on the Courthouse square, now known as Cam - Tex Kitchens, Inc.

We hope they bake up a storm of new business and grow !

103 - 103 - 103

WEATHER NOTES: Looking out at the 73 - degree temperature Tuesday, sun shining brightly, Cameronites found it hard to believe that it was January.

Yankees would gladly lose their snow - cropped mufflers if they had that kind of winter weather.

And people still join the rush to the smog, smoke - filled northern cities. Why thousands of people drive through Cameron every week seeking an escape from the congestion, rife with the roar of cars and trucks.

"What is so fine" as such a day? The sight of people taking walks in early January without coats, perhaps only a light sweater answers that.

103 - 103 - 103

We noted recently that Bill Black formerly of Cameron, and now in Temple, has been elected president of the Temple Kiwanis Club.

103 - 103 - 103

THE MAXIM MAKER - Not new, but "thot" of:

Look up, not down; forward, not back; over, not around; take a broad view, not narrow; think big not little; think through, not half; and when you smile, enjoy it, laugh.

Who Must File Federal Income Tax Return?

All citizens or residents of the United States, including minor children, who had gross incomes of $600 or more in 1962 must file a federal income tax return, R. L. Phinney, District Director of Internal Revenue Service in Austin announced today.

If the taxpayer is 65 or over before January 1, 1963, he is not required to file unless his gross income for 1962 was at least $1,200.

The IRS representative added that even though a taxpayer is not required to file under these rules, he must file to obtain a refund, if any income tax was withheld from his pay.

He said there is no exception to the general rule. Self - employed persons such as sole proprietors, partners, and independent contractors, must file an income tax return and pay a self - employment tax, if net earnings from self - employed were $400 or more.

Taxpayers living in the Austin District should file their returns with the District Director of Internal Revenue, 314 West 11th Street, Austin. The Austin District comprises the area south of and including the counties of El Paso, Hudspeth, Culberson, Reeves, Pecos, Terrell, Val Verde, Edwards, Kimble, Mason, McCullough, San Saba, Lampasas, Hamilton, Bosque, Somervell, Hill, Limestone, Freestone, Leon Madison, Walker, Trinity, Polk, Tyler, Jasper and Newton.

Dedication Set At Trinity Baptist

Dedication services for the Trinity Baptist Church at 12th and Crockett will be held Sunday.

The church will be open all day for visitors to tour. Dedication services will begin at 3 p. m. John B. Henderson will give a report on the organization of the Church.

Rev. John Hart, Marlow Baptist Church will lead the dedication prayer and Rev. Billy Parmer, San Gabriel Baptist Church, will give the dedication sermon.

Hinton Pruitt will lead the singing and Mrs. Mary Carleton will be pianist.

Sunday School begins at 10 a. m. and church worship at 11 a. m. with Rev. J. A. Harvey officiating.

Rev. Harvey has extended an invitation for the public to attend the dedication services.

FIRE DESTROYS MYERS HOME NORTH OF CITY

A Sunday fire about 8:30 a. m. completely destroyed the home of Theo Myers on the Watt farm north of Cameron. Volunteer Firemen tried to contain the fire, which was out of control when they arrived.

The Department had to lay a thousand feet of hose to get water to the fire. None of the family was at home. Myers was a patient in a Marlin Hospital.

The fire was apparently caused by the stove in the house according to Frank Richter, Sr., department truck drive.

Firemen also answered two other calls this week. At 12:40 p. m. Tuesday a car caught on fire on the old Temple Highway. It did little damage to the car.

Later Tuesday afternoon the unit was called to a grass fire north of the dump grounds. About 50 acres of grass burned off in the fire.

The Myers home was the second house fire causing total damage to homes in the past week. Last Wednesday the Robert Halpain home was completely destroyed by a roaring fire.

The Salvation Army is in the process of helping the family re - equip their home. They have five rooms of furniture coming in from the Houston Salvation Army warehouse.

Farm Bureau Sets Safety Program

The Milam County Farm Bureau is sponsoring a safety program on January 17 at the Methodist Fellowship Hall in Cameron.

Milam County highway patrolmen, Gilbert Smith and Durwood Kennedy, are to be in charge of the program and film that is to be shown.

The program will begin at 7:30 p. m. and refreshments will be served.

Weather Notes

Temperatures ranged from a high of 73 to a low of 34 last week. Rainfall totaled .09.

New Postage Rate Goes Into Effect

The nation can still figure that five cents for a first class letter is a bargain compared with rates of earlier days.

Monday the 5 cent stamps were being put into use at the local post office as well as all other state post offices.

A wide range of higher rates voted by Congress last year started Monday. An estimated $600-million additional money will go into the Post Office Department.

It will be three years before the full increase takes effect for all classes of mail. But for the average person who uses first class mail to keep in touch with family and friends and pay his bills the full impact hits at once.

The new rates also include four cents for post cards and 8 cents for air mail letters and 6 cents for air mail cards. These items are expected to add $459 million annually to post office revenue.

These rates are the highest first - class rates the Post Office Department has set since uniform rates were established in 1863, but they are a bargain compared to what Americans have had to pay in the 18th and 19th century.

In 1789, when the first rates were fixed it cost 6 cents to send a letter up to 30 miles, and the price went up for longer distances to a maximum of 25 cents for more than 450 miles.

But even those rates were low compared to what users of the Pony Express paid for the speedy nine - day service between St. Joseph, Mo., and Sacramento, Calif. in 1860 - 61. It cost $5 for half an ounce at first, later dropping to $1 per half an ounce as the private operators tried vainly to keep going against the competition of the transcontinental telegraph.

The four - cent stamp came along in 1958 and now the nickle.

Booster Club To Buy Equipment

The Cameron Booster Club voted funds for the Yoe Athletic Department to install isometric exercise installation, two pairs of boxing gloves and two head protectors for the boys in the program.

Prior to the meeting the members watched the last quarter of the Jr. High - Hearne game. Members then returned to the business meeting.

Head Basketball Coach Joe Davis presented an interesting program giving in detail the facts and figures of this year's basketball clubs. He told of the continuing progress and the prospects of the future. He noted that the club was young this year and all will be back next year.

John Henderson Jr., President of the Booster Club, reminded members of the Club that during the months of January and February the meetings of the Club will be on the first and third Mondays at the Yoe Ag. Building at 7:30 p. m.

All members are urged to come out and attend these meetings and help support all the athletic programs of Yoe High School.

A film of the 1962 Cotton Bowl game and activities was shown after the meeting.

Yoe - Yoes Win Hoop Tournament At A&M Cons.

The Yoe - Yoes won the Consolation championship in the A & M Consolidated Basketball Tournament last weekend.

The Yoe - Yoes lost the first game to Lamar of Bryan who won the championship of the tourna - ment. They then defeated the A & M B team to gain the finals.

They played the host A & M Consolidated in the finals. And they defeated the hosts 31-19.

Cameron was ahead all the way as they allowed only seven points in the first half. Three of these came on free throws.

Cameron scored 21 points in the first half to take the lead early in the game.

Five foot Don Mitchell was the top scorer for the Yoe - Yoes as he netted 11 points. Leo Michalka was second with ten points.

This is the second tournament that the Yoe - Yoes have won in the consolation bracket.

KILLED BY DOGS -- Herman Lange's dogs killed this bobcat in the silver City - Clarkson area last week. Lange said he didn't care about having the picture of the bobcat, but instead it was his dogs of which he was proud.

2,200 BALES MORE IN 1962 COTTON OVER '61's 13,501

P. W. Davis, superintendent of Cameron Compress, this week reported a 2,200 - bale increase in Milam's 1962 cotton output over 1961.

He reported that a total of 15,753 bales was processed as of December 1, 1962, compared to a 1961 total of 13,501.

Davis said only a "few score more" bales would be counted in a final tally through December of last year, not yet complete.

The increase could be attributed to an earlier crop last year and the fact of quite an amount of cotton that rotted in the fields during 1961.

Upcoming Basketball Games

YOEMEN — Friday Jan. 11 - Rockdale-there. (This game was changed from Saturday to Friday.)

Yoe - Yoes - Rockdale there, Jan. 10 at 5:30 p. m.

NAVASOTA — Jan. 11 - A & M at Navasota

Rockdale - Jan. 11 - Cameron at Rockdale.

ROSEBUD — Jan. 11 - Franklin at Rosebud; Jan. 15 - Moody at Moody.

ROGERS — Jan. 11 - Academy at Academy (Boys and Girls) Jan. 15 -- Thorndale there (Boys and girls).

7th Graders Win Over Hearne 18-16

The Ada Henderson seventh grade came thru in the final minutes to defeat the Hearne seventh graders 18-16 Tuesday.

It was a nip and tuck battle as the Cameronites lead 12-11 at the halftime.

Roy Thompson led the seventh graders with six points in the defensive battle. Next was Tommy Kirk with four points. Charles Maddoz, Al Hefft, John McLerran and Charles Buchanan all had two points in the battle.

80 Entries Seen For Stock Show

About 80 entries are anticipated by officials for the Milam County Junior Livestock Show 10 a. m. Saturday at Cameron Compress.

The show was held in a large cotton warehouse at Cameron Compress last year after inclement weather had forced a move from a scheduled Mall show at the Courthouse Square.

The annual livestock show includes four classes of animals this year, including beef, dairy cattle swine and sheep.

Show place will be a Compress warehouse across from the Mobil Dealer, officials said.

STARTS AT 10

Judging will begin at 10 a. m. and will continue into the afternoon in the four types of entries.

Four-H and FFA members from across Milam County will have entries in breeding beef cattle, dairy cattle, market barrows, breeding swine, market lambs, breeding ewes and fat steers.

All animals in each class will be given either blue, red or white ribbons, depending on their quality and show conditions, officials noted.

Grand Champion rosettes will be given in all divisions while showmanship awards will be given to best showman in each of the four divisions.

SHOW OFFICIALS

Judges will be Larry Osborn and John Kuykendall, members of the senior livestock judging team, Texas A & M, in swine, sheep and beef cattle entries. Bob Gray, dairyman from Holland, Texas, will judge dairy classes.

Members of the finance committee are: Chairman Jerry Schiller, Leo Fuchs, Jess Brock, Drayton McLane, Byron Wise, Coleman Duncum and E. L. Wied.

Livestock show superintendents are: Hubert McClaren, beef cattle; James Luckey, dairy cattle; Ed Laywell, sheep; and Henry Richter, swine.

John Batte is chairman of the Junior Livestock Show.

The Milam County 4-H Council will sponsor a concession stand at the Livestock Show.

18.5 Miles Due For Construction

The Texas Highway Department this week announced a call for bids on 18.53 miles of new roads including US 77 north to the Falls County Line.

Officials said bids will be opened 9 a. m. January 25 and 26, at the State Highway Dept. in Austin

Bids will be taken for:

--US 77 from Cameron to the Falls County line, 11.251 miles of grading, structure widening, stabilized subgrade, flexible base and asphalt concrete paving.

--FM 2095 from Liberty south to US 79 at Milano, 4.66 miles of grading, structure, base and surfacing.

--US 79 from 1.9 miles west to 1 mile east of Milano, 2.62 miles of grading, structure, foundation course, flexible base and asphalt concrete paving.

Completion of the 11.251 - mile highway from Cameron to the Falls County line will mark final resurfacing of US 77 through Milam County.

In 1962 highway improvements, US 77 from the US 77 - SH 36 "Y" to Minerva was seal coated and the new US 77 highway from Minerva to the Lee County line was opened.

Highway officials have planned rebuilding the US 77 stretch from Cameron north to Falls County since announcing the project in November, 1961.

Asphalt concrete paving will be used on both US 77 and the US 79 project.

Plans and specifications are available at the office of resident engineer Carol D. Zeigler, of Hearne and the Austin ofices o Texas Highway Department.

20 FROM MILAM TO MARCH IN INAUGURAL FETE

Twenty men from Milam County's National Guard unit, Company C., Tuesday will march in the Inauguration Parade up Austin's Congress Avenue to the Capitol.

S-Sgt. Joe Vybiral said the men would be selected from the Milam company and would march with other Texas military units, bands, and civic floats.

Gov. - Elect John Connally and Lt. - Gov. - Elect Preston Smith will review the troops.

The parade will start at 2 p. m.

A dedicatory prayer service will open the Inauguration Day and will be led by Dr. Billy Graham, world-renowned evangelist. All faiths will be represented. The service will replace a traditional prayer breakfast held in prior inaugurations.

At noon the official inaugural ceremony will be held at the Capitol. Both Connally and Smith will take the oath of office.

An Inaugural Reception will be held Tuesday night at the Capitol.

Board Meets With Appraiser, Extends Zeigler's Contract

The Cameron School Board Monday night met with Mayburn Harris, of Southwestern Appraisal Co., of Dallas and Stanford, to discuss an equalization of School District valuations.

It was the latest in the discussions of the Board on equalization of property values in the Cameron District.

Supt. Charles Zeigler said the program is still in planning stages and an information program to explain the District's needs will soon begin.

In other action, the Board voted Supt. Zeigler a new three - year contract effective July 1 at the same salary, cancelling his current three - year contract which would have expired July 1, 1965.

An information committee from the Board was also named to develop programs for the proposed equalizations.

And Wendell Kirk, of Cameron, was employed as school bus driver.

Rites Held For Owen's Daughter, Mrs. Walker, 20

Funeral services for Mrs. Calvin Walker, 20, of Marlin were held Wednesday at the First Baptist Church in Madisonville. Burial was in Madisonville.

Mrs. Walker was the daughter of Mr. and Mrs. Barney Owen of Cameron.

The former Kathaleen Owens of Madisonville, she died in a Marlin hospital Monday. She became ill Sunday.

Mrs. Walker's husband is vocational agriculture teacher at Marlin High School. The family was preparing to move to Madisonville where Walker had accepted a teaching position.

Surviving are her husband; one daughter, Donna Walker; her parents, one brother and one sister, both of Cameron.

Statements Sent To 292 In Milam

Today, Robert C. Cushman, district manager of the Houston office of Dun & Bradstreet, Inc. announced statement requests were mailed to 292 businesses in Milam County.

He said the figure represented a physical count of the manufacturers, wholesalers and retailers listed in the Dun & Bradstreet reference book for January 1963.

According to Cushman, each January business concerns in all parts of the United States are asked by Dun & Bradstreet for copies of their financial statements. This year requests are being sent to approximately three million business concerns -- to the corner grocery store worth a few thousand dollars as well as to businesses worth millions.

Library Vote Due . . .

City Sets Election Date

The City Council Tuesday set the annual city election for Tuesday April 2 and appointed two Cameronites to new positions on the Cameron Housing Board.

Mayor Coleman Duncum also asked City - Atty. Charles Smith, Jr., to draw up proposed phrasing for a library referendum vote on April 2 ballot.

The vote would be to consider authorization for the Council to provide a special fund for Cameron Library operation in the City Budget.

Duncum said the City Charter does not allow a vote on a tax issue, but provides for the referendum vote for Council action.

Up for consideration on the Council are places 3, 4, and 5 held by Councilmen Starrett Hickman, John A. Smith and E. L. Wied respectively. All three Council posts are two - year terms.

NEW CHAIRMAN

Henry Siebman, Housing Board member, was appointed chairman of the Cameron Housing Authority to succeed Narvie L. Caperton, who has resigned prior to joining Cong. W. R. Poage as assistant February 1. John A. Smith, Sr., was named to the board to fill Siebman's post.

Mayor Duncum also asked councilmen to be considering appointees for the 1963 City Equalization Board, which will start annual sessions later this year.

And the Council accepted a letter of application from Ray Green, SMU senior, to run the Municipal Swimming Pool this summer.

In other action, the Council heard reports from heads of the water and street departments.

IMPROVEMENTS

Water Supt. Alvin Heifft reported installation of 300 feet of six - inch sewerline at North Colax and West Fourth St. and reported continuation of other pipeline installation in West Cameron.

Public Works Supt. J. B. Earle noted completion of work on W. Fourth St. (SH 36) and Travis Avenue, repairs in downtown alleys near TP&L and Western Auto, work in the Culpepper Addition on street and elevations.

He anticipated work on:

--West Sixth Street from Jefferson to the SP Railroad, reworking and processing grades for curb and gutter.

--Culpepper Addition for plans for future paving, curbing and gutter.

Burlington —

Henry Helperts Hosts Guests

By Mrs. George Logan

Mr. and Mrs. Henry Helpert had the following of their children and grandchildren home for Christmas holidays: Mr. and Mrs. Jodie Knapatek of Houston, Mr. and Mrs. Leon Aomanczyk, Mr. and Mrs. Johnnie Kosber, Mr. and Mrs. Larry Stalker and family of Waco.

James Futschik of Burlington underwent an eye operation in Columbus Thursday. He had been injured several weeks ago and it seemed a foreign particle of steel had lodged in his eye. He also had a cataract removed from his left eye. His parents are with him in Columbus.

Mr. and Mrs. Paul Olbrich and family had the following visitors during the holidays: Mr. and Mrs. Michalencz, Mr. and Mrs. Herbert Herzog of Westphalia, Dorothy Michalencz of Westphalia and Janice Frei of Temple spent Friday night with Joan Olbrich.

Among the hunters who got deer were Gerald Foshea, Henry Davenport and Arthur Davenport.

Mr. and Mrs. Bill Matyastic and family of El Paso who have visited relatives at Rosebud, Burlington and Cameron spent Thursday in the home of Mr. and Mrs. Henry Davenport. They left for El Paso.

Mrs. Bertha Litzman entertained the 42 club at her home Tuesday. Agter games were played refreshments were served.

Mrs. Walter G. Marek and Mrs. Gerald Foshea were in Temple Friday for a visit to Ed Stuessel at Veteran Hospital.

Mrs. Judy Moraw of Cameron visited Mrs. Celia McSherry of Burlington Wednesday.

Second Lieut. and Mrs. Stanley Wied and baby left for Tallahassee Fla. Wednesday. They plan to leave for Dover Del. soon.

Mrs. Annie Tolbert of Temple and her sister Margie of Minn. had as their guests Friday Mrs. Fritz Wied of Burlington.

Rev. R. Fletcher filled his appointment at the Baptist Church here Sunday Jan. 6. He was a dinner guest of Mr. and Mrs. Ollie Mode.

Mrs. Lena Lucco of Ben Arnold and Mrs. Lillie Rummel of Cameron were guests of Mrs. Hattie Benesh Saturday.

Mrs. Grace Faulkner of Rosebud was a Burlington visitor Thursday and vivsited her farm.

Mr. and Mrs. Dick Henke and family of Temple were New Years visitors in the home of Mr. and Mrs. Herbert Engbrook and Leland

Mr. and Mrs. Herbert Engbrock and son Leland visited in the Frank Trapolina home in Temple Sunday. He has recently been released from a Temple hospital.

Mr. and Mrs. Alex Black of San Antonio and Miss Ella Wilde of Westphalia were guests of Mr. and Mrs. Ray Schonhoeft last Thursday night.

Mrs. J. D. Lewis and Mrs. Francis Cox and her daughter Miss Kay Cox of Cameron visited the Burlington Public School Thursday.

Joe Schonhoeft is a patient again in the Swepston hospital. He was able to be home for a short time.

Mrs. Ray Schonhoeft has been ill but her condition has improved.

TRACTOR

Tuning - up your gasoline or LP gas tractor can increase its power by 11 percent and its fuel efficiency by as much as 14 percent, says Henry O'Neal, extension agricultural engineer.

Jones Prairie —

Stanleys Visit Friends Here

Rev. and Mrs. James Stanley of Smiley were visiting friends here recently Rev. Stanley was a former pastor at Little River Baptist Church.

Carlton Crook is a medical patient in a Marlin hospital. His sister's Mrs. Ethel Burk and Mrs. Gene McDonald of Pt. Arthur are here visiting him. He is reported improving.

Mr. and Mrs. James Fontaine of Austin were weekend guests of his parents Mr .and Mrs. R. K. Fontaine and Karen.

Mrs. Ben Massengale, Mrs. Jack Pond and Mrs. J. D. Black were Marlin visitors Thursday.

Karen Fontaine was a visitor in Silsbee with her brother and family Mr. and Mrs. W. A. Fontaine and sons, Billy, Jerry and David recently.

Rev. and Mrs. Weldon Harris and sons, Roger and Stephen of Ft. Worth were Sunday luncheon guests of Miss Ethel and Mrs. Nora McKinney.

Mrs. S. S. Hickman is visiting her daughter and son - in - law, Mr. and Mrs. Lester Hughes in Cleburne.

Mr. and Mrs. Dick Young and children Paul and Margaret of Spring Branch spent the holidays at their home here.

Mrs. E. B. Yager is a patient in a Cameron hospital. She is reported to be greatly improved.

Mrs. Pearl McLerran of Cameron was a Thursday afternoon guest of her sister Mrs. J. D. Black.

Pigs		3.50

Tractor Tune - Ups Increase Efficiency

COLLEGE STATION — Tuning-up your gasoline or liquified petroleum gas tractor can increase its power by 11 per cent and fuel efficiency as much as 14 percent, says Henry O'Neal, extension agricultural engineer, Texas A & M College. And this increase power and economy can mean savings in time as well, he continues.

LP gas and gasoline engines usually require a tune-up every 250 hours of operation and if these adjustments are not made when needed the engine cannot deliver the power it was designed to give and fuel will be wasted. Improper timing and carburetor adjustment can seriously harm an engine because of over heating and oil dilution from unburned fuel, O'Neal says.

Some of these simple tune - up procedures can be performed by the farmer with only a little extra equipment and the hand tools he has available in his farm shop.

This equipment, a flat feeler gage, a round spark plug gap gage, ignition file, and a timing light cost a total of about eight dollars, the engineer says.

According to O'Neal, the Operators Manual which outlines the procedures and furnishes the proper specifications for the engine, is the best guide to use when performing the engine tune - up.

Clarkson —

Relatives Visit In Florence With Chathams

By Mrs. J. A. Blasienz

Mrs. Robert Wimberly joined her sister and family Mr. and Mrs. Carter Asbury and Mary Nann of Travis for a visit with Mr. and Mrs. Ivy Chatham of Florence last Sunday.

Robert Todd of Bryan visited Paul Hauk during the holidays. He returned home Friday accompanied by Paul and his mother.

Judge Mitchell and son Morris of Bryan visited friends in the community Monday.

Mr. and Mrs. Alfred Kohring were guests of Mr. and Mrs. Nelson Kohring of Irving over the Christmas holidays.

Mr. and Mrs. V. W. Hauk and children visited Mr. and Mrs. Frankie Skala and children of Rosebud Thursday night.

Mr. and Mrs. Charles Burnett of Bryan and Mr. and Mrs. Bill Harrison were guests of Mr. and Mrs. Frank Weems in Dallas during the Christmas holidays. Other guests in the Weems home were Mr. and Mrs. Derrell Hallmark and daughters from California.

Mr. and Mrs. John A. Blasienz of Bryan and Mrs. J. A. Blasienz spent Christmas Day with J. A. Blasienz in Rosebud. Mr. and Mrs. O. J. Rhodes of Smiley also visited in the Blasienz home and her father at the Rest Home during the holidays.

Mr. and Mrs. Lloyd Stoebner and children of Ft. Worth were holiday guests of her parents Mr. and Mrs. Walter Kohring.

Christmas Day guests of Mr. and Mrs. Otto Mayer, Jerry and Terry were Mr. and Mrs. Melvin Davis and Kim of Waco, Mr. and Mrs. Lawrence Kostroun and Johnny of Temple, Mr. and Mrs. Marvin Etheredge of Cameron, Billy Glenn McSherry and son Pat of Sweetwater and Butch Tessney of Dallas.

Mr. and Mrs. Amos Doskocil and Amos Jr. had as guests last Monday Mr. and Mrs. Bruno Kaulfus and daughters of Monahans, Mr. and Mrs. Billy Stuessel and Miss Judy Killgore of Temple and Mr. and Mrs. Leonard Doskocil and children.

St. Monica's Ladies Society Holds Meet

St. Monica's Ladies Society held its regular meeting last week at Simon George Hall.

The yearly report on progress made was given by the president. Also she announced that $100 had been made from the sale of cookbooks.

A committee to prepare the menu for the board luncheon to be held in Cameron Jan. 15 was appointed.

Newly elected officers are president, Mrs. Louis Hollas; first vice president, Mrs. W. K. Leonard; second vice presdient, Mrs. John Johnson; secretary, Mrs. Walter Anderle and treasurer Mrs. Charles Chandler.

FAT OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat in 7 days or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ORDINEX is a tiny tablet and easily swallowed. When you take ORDINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ORDINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. Hearne Edges Yoe 44-41

Yoe Loses First District Game

The Hearne Eagles hit 16 of 28 free throws to take a narrow three points win over the Yoemen in the first District 19AA game for both teams.

The Eagles took a four point lead at the beginning of the second quarter but the Yoemen came back as Billy Don Davenport hit for two and a free throw and Dicky Ponder hit a shot to tie it up at 13-13 with 5:10 left in the half.

But the Eagles came back and the half time break showed Hearne ahead 22-17.

The Yoemen came back to score 12 points to the Eagles' 15. The Eagles led the Yoemen at one point by ten points.

Early in the fourth quarter the Yoemen suffered a strong blow as Davenport, who was deadly with his whort jump shots from along the base line, fouled out on what was first called a tie ball.

With 1:41 left in the game Hearne's John Mathis was fouled out as he attempted to block Judson Smith's drive to the goal. Mathis had drawn fourteen free throws and sank ten of the tosses. Most of his free throws came on blocks and screening.

Smith missed the toss but gained the rebound and sank it for two points. Hearne took the ball and Steve O'Neal, the center who played a top game for Hearne, sank two points making the score 44-39. Only 31 seconds remained in the game.

The Yoemen took the ball in and the Eagles tied the Yoemen up. Laffere recovered the jump ball and was fouled. On a one - and-one free throw he sank both shots.

The Yoemen stole the ball and with only six seconds left they missed a short jump shot and the Eagles rebounded the ball. In a desperate attempt at stealing the ball Laffere fouled and this was his last in a foul laden game.

The Hearne lad missed the two shots but it was too late for Cameron to score the needed three points.

Both teams were shooting good percentages from the floor as the Yoemen sank 44 per cent of their shots and the Eagles sank 44 per cent of their field goal attempts. The Yoemen made 16 and the Eagles sank 14.

In the charity tosses is where the Hearne roundballers had it over the Yoemen as they sank 16 of 28 tosses. Cameron hit nine of 23. Cameron fouled 20 times to the Eagles 17.

O'Neal of Hearne hit six field goals as his shot jump shot was working real well. The Yoemen's Davenport also hit six with the majority coming from the base side line.

Davenport led the Yoemen with 14 points. Laffere was next with 12.

Hearne was led by Mathis who sank 16 points. O'Neal was next with 15 points.

Yoe - Yoes Lose Close Battle To Hearne Jrs.

The Yoe - Yoes were edged out in the final quarter 35-32 after making an amazing comeback in the second quarter.

The eighth grade team was down 18-2 with the clock showing about two minutes passed in the second quarter. The Yoe - Yoes missed a free throw, gained the rebound and Don Manley sank a jump shot from in front.

Then the locals started a press and Jackie McKinney and Don Mitchell, who came to the shoulders of the tall Hearne team, started stealing the ball from the Eaglets and set the Yoe - Yoes up in the fast break business. At the end of the half the Yoe - Yoes had scored 17 points and allowed the shaken Hearne team only two points.

The Yoe - Yoes came back in the third quarter to go ahead 21-19 and the game's leadership went from team to team during the third and the early part of the fourth quarter.

But the taller Hearne team were able to stop the Yoe - Yoes and hang on to a slim lead. The game ended in their favor.

Leo Michalka was tops for the Yoe - Yoes as he sank twelve points all of which came on field goals as he never had a free toss. Next in line was Mitchell with seven points. Third was McKinney as he sank six points.

Manley had three and Bill Gocke, and Jack Glass each had two points.

School News

The Student Council met Monday and discussed plans for a Valentine Dance to be held in February.

The Junior Historians met Wednesday.

The Advanced Slide Rule Club will hold its regular meeting Thursday.

YOEMEN BASKETBALL STATISTICS

For Non - District Play (14 games)

Name	Field Goals Made	Free Throws Attempted	Free Throws Made	Fouls	Points
Merlin Lester	55	58	28	30	138
Ronnie McWilliams	34	43	15	34	83
Laurence Laffere	37	49	40	23	114
Dickey Ponder	12	16	9	25	33
Billy Davenport	26	39	18	37	70
Mack McKinney	9	2	1	7	19
Larry Manley	1	2	2	4	4
Newton Burnett	0	7	1	1	1
TEAM TOTALS	174	210	114	161	462

The Yoemen have scored a total of 508 points while allowing their opponents only 512 points. The Yoemen have won five games while losing nine of their fourteen non - district games. Wins have been over McGregor, Granger, Rogers (twice) and Colemesneil.

sports herald

By James Hollas

The Yoemen will soon start work on a new set of exercises. The Cameron Booster Club voted last Monday night to give the necessary funds for the athletic department to build an isometric installation. This will be a set of adjustable bars that the players and others will use to push and pull on to develop their bodies.

The user pulls against himself and in this way he develops his muscles. A lot of schools in this area have been using this system over the past few years to good advantage. This will be used in addition to the regular program and will mainly be used instead of the weight program. It is a faster and safer way to develop. The weights will still be used along with the program.

The Club also voted money for a set of boxing gloves and head protectors. The boys will also learn this sport but will not enter in meets.

The athletes now are doing body and agility building exercises. This consists of tumbling, relay races of different types, wrestling and others.

-sh-

The Toy Yoemen changed their routine at the basketball game Tuesday as they left the fancy ball handling and played basketball.

These sixth graders are doing a real good job at entertaining the fans at half time.

And along with the swing band they make the basketball games even more entertaining. The band, in addition to short numbers at intermission and the half, plays the National Anthem and the school song before the varsity game.

A student says a prayer and a welcoming address is given by a member of the Student Council. Then the starting lineups are given over a PA system.

A ruling of the Texas Interscholastic League forced the Yoemen to cancel the B team game this week. There are only twelve boys out for basketball this season and two were sick Tuesday night.

The rule states that a boy can not play in more than two interschool games in a week unless his team takes part in a tournament. A tournament is counted as one game.

Thus a boy taking part in the B game and then going into the A game would have taken part in his two interschool games for that week.

REMOVE RUST FROM GUN

After each trip in the field -- especially after hunting over water- you will notice small pits of rust on your gun barrel. These are caused by sweat and other moisture.

If attended to at once, these pits can be removed by an ordinary typewriter eraser. Such an eraser won't damage gun bluing as

When gun is badly rusted, soak well with rust solvent before using eraser.

City Golfers Host Round Robin Golf Association Here

The Cameron Ladies' Golf Association was host Tuesday to the Round Robin Golf Association for play at the Cameron Country Club.

The Round Robin Association members are Cameron, Conroe, College Station, Bryan, Brenham, Marlin, Navasota and Hearne. On the first Tuesday of each month the members take turns being host to the association.

Winners for Tuesday's play were:

Low Gross, Ruth Ellis, College Station with a 91.

Low Putts, Dorothy Richardson, College Station with 30 putts.

First Flight Low net, Julia Gremmels, Lynchburg, Va., with a 79.

Second Flight low net, Esther Manning, Cameron with a 74.

Third Flight low net, Gertrude Hart, Cameron, with a 77.

Bryan will be host to the organization on February 5 at the Bryan Country Club.

Thursday, January 10th Chicken and Dressing, all the trimmings at THE FRIENDLY TAVERN. Meals to take out.

Cameron Splits Game In Tourney

Cameron gained entry into the winner bracket of the Livingston tournament as they walloped Colemesneil 54-34. But they had to face the rough C. E. King of Houston in the next game and the Houston school came out victor 49-38 after a close game.

C. E. King went on to the finals of the tournament before they were defeated by Livingston for the championship. The same thing happened to the Yoemen in the Thrall tournament when Cameron was eliminated by Taylor and Taylor went to the finals.

But the Yoemen made a good showing in both games as they won easily over Colemesneil and C. E. King to a tie at the end of the third quarter only to have the strong Houston school come back to win 49-38. C. E. King has won two tournaments this year.

Guard Laurence Laffere led the Yoemen in the first game as he sank nine field goals and three free tosses for 21 points. The Yoemen's tall man, Merlin Lester accounted for 18 points.

The Yoemen held the Colemesneil team to 34 points as Coach Joe Davis cleared the bench. Morrell was high for Colemesneil as he gained 14 points. Ten of these came in the last quarter as the Yoemen played the substitutes.

Davis said that he was proud of the boys in both games and especially the game with King. They showed fine hustle and a very good desire to win.

King jumped off to a 10-6 lead in the first quarter and then lead at the half - time break. The Yoemen came back the third quarter to tie it up as the last period began.

The strong King team went ahead and won the game 49-38.

Ronnie McWilliams, Laffere and Dicky Ponder gave Yoemen service on defense.

Haney - McGregor Vows Read Recently

Miss Viva Lynn Haney and Charles Wayne McGregor, both of Cameron, were married Dec. 22 in the Battetown Baptist Church in Cameron.

Parents of the couple are Mr. and Mrs. A. B. Hairston of Cameron and Mr. and Mrs. Talmadge McGregor of Rt. 3, Cameron.

Rev. Harrison McLerran performed the double ring ceremony. Candles decorated the altar with white roses on the piano.

Miss Peggy Mullinax furnished piano music and Mrs. Ina Ruth Hinson sang "Always".

Given in marriage by her father, the bride wore a white satin brocade princess style sheath dress with short jacket buttoning down the back and three - quarter length sleeves trimmed with white fur.

A white fur crown held the shoulder length veil of white tulle. She carried a bouquet of white carnations centered with a white orchid on a white Bible and wore something old, new, borrowed blue, and a penny in her shoe.

Mrs. Sharon Harber was matron of honor. She were a white knit sheath with silver accessories and carried a white and silver carnation bouquet.

Bridesmaid was Miss Judy Lee Haney, sister of the bride. She was dressed the same as the matron of honor.

Stanley Fisher of Cameron was Bestman. Jimmy McGregor, brother of the groom was groomsman. Ushers were Johnny Springer, cousin of the groom and Dale Smith.

Kathy Hairston, sister of the bride and Mike Robinson, cousin of the groom, were ring bearers.

The bride's mother wore a peacock blue suit, black accessories and white carnation corsage. The groom's mother was attired in green suit, brown accessories and white cornation corsage.

A reception was held in the Western Room of the Texan Cafe. The bride's bouquet centered the table where the guests registered in the bride's book. The serving table was centered with the attendant's bouquets.

Miss Margie Wise of Dallas registered guests. Miss Virginia Richert of Cameron cut the cake and Miss Delores alesky of Cameron served the punch.

Others in the house party were Mrs. Hazel Robinson of Temple and Mrs. Nita Ann Beale of Coriscana.

For a short wedding trip the bride wore a brown, beige and orange two piece suit with brown and beige accessories and the orchid corsage from her bouquet. The couple will be at home at 100B East 7th St.

The bride is a 1961 graduate of Yoe High and attended Durham's Business College in Austin. She is presently employed with H. H. Coffield in Rockdale.

The groom is a 1960 graduate of Yoe High, attended Sam Houston State Teachers College in Huntsville and is presently employed with KMIL radio station in Cameron while attending Temple Junior College.

Holiday Parties Honor Bride Elect, Mary Alice Duncum

A series of parties honored Mary Alice Duncum during the holidays. Miss Duncum is the bride-elect of Gary Welch of Houston.

Mrs. Eldon Batte honored Miss Duncum with a kitchen shower in her home. Christmas decorations were used throughout.

The refreshment table was centered with an arrangement of fir and wedding bells. Pinwheel sandwiches, coffee cake, fruit cake and coffee were served the guests.

Mrs. Norris Rogers and ladies of the Church of Christ honored Miss Duncum with a miscellaneous shower at the home of Mrs. Rogers. Seasonal decorations were used throughout the home.

Mrs. Porter Young and Miss LaNelle Rogers served punch, cake squares, nuts and mints to the guests. Miniature Santas were plate favors.

Mrs. Young honored the bride-elect with a soft drink party at her home.

Mrs. Louis Holley was hostess for a Christmas coffee for Miss Duncum. The refreshment table was laid with a red and white cloth and centered with a miniature Christmas tree. White Christmas tarts, fruit cake and coffee were served by the hostess.

Mrs. Joe Gerick and daughter Connie were hostesses for a gadget shower at their home. A variety of sandwiches, pickles, olives, potato chips and soft drinks were served.

Mrs. Coleman Cuncum, mother of the honoree and Mrs. John Batte were special guests.

W. O. Shafer of Odessa, board chairman, will preside over the two - day meeting. The agenda will include: bugdet, legislation and officer nominations. Election of a president - elect, vice president and seven board members will be held in May by mail balloting of the organization's 15,000 members.

Exams Scheduled At Rogers School

ROGERS — Students of the Rogers Public Schools are in the throes of semester reviews and semester examinations this week. Up through junior high school, the examinations are not formally scheduled, as the principal and teachers work out the program.

In high school, however, students will have Thursday and Friday for their double - period examinations. First, third, and sixth period classes will come Thursday and second, fourth and sixth period classes will come Friday.

High school students report to school these two days as they have scheduled examinations and as they want to study in the library.

The second semester will begin Monday morning at 8:30. The only changes in the high school schedule will be Health for Civics for seniors, and trigonometry to Modern Mathematics (replacing solid geometry.

Officers Installed At Hope Lutheran Ladies Auxiliary

The eight circles of the Hope Luthern Church Ladies Auxiliary held their first general meeting recently with the installation of officers for the coming year.

Officers are: Mrs. L. L. Ezzell, president; Mrs. Alma Fischer, vice president; Mrs. Ruth Schneider, secretary; Mrs. Gene Friemel, treasurer; Mrs. Delphin Schiller, Educational Chairman; Mrs. J. A. Pietsch, Stewardship Chairman. Due to the absence of the Pastor, Mrs. Pietsch lead the devotional and also installed the officers.

Plans were discussed for the coming year with new by - laws being added to the constitution. Reports from each Circles' chairman were made stating that 1962 was a successful year.

GA's Have Pizza Supper Recently

The Intermediate GA's of the First Baptist Church met at the home of Miss Barbara Macon recently.

After a pizza dinner the girls exchanged gifts and sang Christmas Carols. Jeanie McDaniel and Janice Hughes gave a program on Lottie Moon.

Special Scouting Program Set For PTC Meeting

A special program on Boy Scouting will highlight the January meeting of St. Anthony Parent - Teachers Club, 7:30 p. m. Tuesday at Simon - George Hall.

Ollie Chamberlain and Lawrence Zotz will be in charge of the discussion, according to program chairman Mrs. James Brock.

All parents with students attending St. Anthony's School are urged to attend the meeting.

"We are particularly asking those parents with boys interested in joining a Cub Scout or a Boy Scout Troop to be present Tuesday night," Club president Mrs. George Hollas said.

Approximately 150 parents attended the December P-TC meeting and Christmas program.

Officials of the P-TC expressed the wish that a continuing interest in the organization will be shown by parents during the coming year.

The Club works on projects which will benefit the school and the students. One long - range project recently completed was that of buying new desks and chairs for each classroom.

Officers Named For Saddle Club

Officers for 1963 have been selected by the Cameron Saddle Club.

They are: President, Mary Belle Batte; vice president, Herbert Sims; secretary, Frances McDermott; treasurer, Charles McDermott.

On the Board of Directors are Dell Fuller, Jewell Barron, Junita Brod, Mary Frances Shipp and John Batte.

Football Banquet Honoring Rogers Players Jan. 19

ROGERS — Plans are nearing completion for the annual football banquet honoring the players and coaches of Rogers High School, according to Supt. B. F. Harbour.

The banquet will be held in the school gymnasium on Saturday night, January 19 at 7:30. Rhea H. Williams, State Athletic Director of the University Interscholastic League, has been secured as the speaker of the occasion. Williams, who was the speaker at this same banquet a few years ago, was hailed as one of the most interesting speakers ever to address the football banquet audience here.

The highlight of the program will be the granting of letter awards to the football players. Head Coach Jim Lowrance will make the varsity awards, Coach Kenneth Beverly will make the "B" awards and Coach Dal Coleman will make the special awards. The football captains will present the new Football Sweetheart for 1962-1963 for the first time.

Candidates for sweetheart are: Linda Martinec, senior; Diane Englebrock, junior, Cathy Gilleland, sophomore; Judy Lemon, freshman. A bouquet of roses will be presented to the Sweetheart.

Special music is being arranged and Miss Karen Kovar will furnish dinner music and will accompany the group singing of "God Bless America," to be led by Charles Conner.

The meal will be prepared and served by Mrs. Willie Lynch, lunch room manager and associates. Mrs. Myrtle Wood, head homemaking teacher assisted by Mrs. Edith Starnes, will have charge of decorations and will assist with food service. Mrs. Alta Seay, business teacher, will have charge of the program - booklet production.

The annual banquet, promoted by the high school itself, is financed by the sale of tickets. About 200 are expected for the banquet.

Thursday, January 10th Chicken and Dressing, all the trimmings at THE FRIENDLY TAVERN. Meals to take out.

TELEPHONE TALK

by C. L. Carson, Manager

SUDDENLY IT'S 1963

Do you ever get the feeling the years are going by faster than they used to do. Does it seem to you that someone has been tampering with the calendar and shortchanging us a few minutes.

Seems as if I'd hardly become acquainted with 1962 when this brash new stranger -- 1963 -- came barging in. Personally, I'll miss 1962. It was a good year.

I'm sure in time I'll get to know 1963 and like it just fine. A new year, like a new pair of shoes, takes some getting used to.

LOOKING BACK

In the telephone business, there's not much time for looking back. There's too much ahead.

Still, since 1962 is barely behind us, I'd like to tell you about a few highlights of the old year as I saw them from my job with Southwestern Bell.

The most spectacular telephone news in 1962 was -- you guessed it -- Telstar, the world's first active communication satellite. If ever there was a doubt about which nation leads the world in modern communications -- Telstar settled the issue with a bang.

Not all telephone progress in 1962 was as dramatic. Many unspectacular -- but vitally important -- advances were made in providing you with better service. Right here in Texas for instance, Southwestern Bell made several important service improvements.

We worked hard on stormproofing the long distance network by placing telephone cables underground and using more microwave radio relay. Underground cables and microwave relays help us beat the weather by providing insurance against breaks, leaks and other malfunctions.

Another project was our cable pressurization program. Dry air is pumped through telephone cables and helps keep moisture out if a cable develops a leak. Thanks to this pressurization, trouble is usually spotted and fixed before it affects your service.

Another big improvement in 1962 was the addition of many tiny voice amplifiers to our telephone lines. These "voice boosters" put new pep in your phone. Whether you telephone across town or across the state, your voice comes through clear and strong.

In Cameron, telephone progress was made in 1962 with the addition of 85 telephones -- making your service that much more valuable to you.

ONE LAST THOUGHT

I can sum up our reasons behind all the improvements we've made and all the improvements we're going to make in one sentence . . .our never ending goal is to improve your telephone service and make it more valuable to you.

Call by number . . . It's twice as fast.

Call by number. It's twice as fast.

Texas' Industrialization Focused . . .

There is movement steadily gaining state and area momentum to do something about the massive shift from a rural to metropolitan Texas.

It is underway in Austin with Gov.-Elect John Connally's assurance that Texas-wide efforts will be made to gain industry for Texas communities of all sizes, at the same time paring the inequities of the displaced farmer having to compete in the complex of industrialized cities.

Metropolitan newspapers are focusing editorial attention to the problem of balancing the ebb of rural and small-town life. The Dallas News of late cited this possibility the major problem in modern-day Texas.

Cameron's Rep. Milton Schiller won a decisive win in the May, 1962 primary over incumbent Herman Yezak with industrial development a key plank in his platform.

Communities by the hundreds of Cameron's size are organizing or have organized industrial developments of various kinds to make industrialization a reality. In 1961, the Milam Farm Bureau urged in a resolution at the Texas Farm Bureau Convention the establishment of industry in small Texas communities. At present, an industrial program is being outlind in Cameron. Experts from the Texas Industrial Commission, the A&M Extension Service, economists and leadership of many persuasions have told of this need in Milam as well as in all non-metropolitan Texas.

All of this cites an awareness of the problem, perhaps the major step in its solution.

The 29 metropolitan counties, including at least two bordering or near Milam County, are slated for continued growth at the population expense of rural Texas. The Dallas News says the remaing 225 can expect no particular growth from 1960 to 1970.

Historically, Texas has been an agricultural state, one of the major farm states in the nation. It got that way developing the fertile land ebullient rivers, enormous oil reserves and forests of Texas. Though not easy, this same history of resource development can be turned into industrial attraction on a par with California, recently passing New York in population.

The Herald continues to urge every resident of the Milam area to expend energies in this direction. Speak forthrightly of our problems, certainly shared by at least 200 other Texas counties: provide solutions positively, making ideas available that will boost Milam further along the road to necessary industrial payroll growth.

Continuing these efforts will keep Milam among the leading non-metropolitan counties that surged forward in the 1950's to a portent of expansion and growth in the 1960's.

Dateline Austin —

Seven Men To Fill Key Posts

By Vern Sanford

AUSTIN — Governor - elect John Connally has picked seven men to fill key appointments in his administration. Oldest of the seven is Crawford Martin of Hillsboro, who will be Secretary of State. And he is only a year older than the 44-year old future governor.

Youngest appointee, 27 - year-old Larry Temple of Austin, will be an administrative assistant. Teamed with Temple are 32 - year old Bill Fowler of Dallas, 38 - year - old Frank Miskell of Austin and 34-year old Scott P. Sayers of Fort Worth.

Howard Rose, 32 - year - old Midland attorney, will be Connally's executive assistant.

Two of the appointees are carry-overs from the Daniel administration, to some degree. Martin served as state senator from Hillsboro for 14 years -- through 1962. Cobb was chief examiner for the Legislative Budget Board from 1951 until 1962, when he became assistant executive director of the Texas Industrial Commission.

Fowler, Miskel, and Sayers worked on Connally's staff while he was campaigning for governor.

BOARD REPLACEMENTS ANNOUNCED

Governor Price Daniel made numerous gubernatorial appointments at term's end. He has stated he will make no more appointments unless death creates a vacancy.

He named Milton Potts of Livingston, manager of the Sam Houston Electric Cooperative for the past 22 years, to the Texas Water Development Board, and he reappointed Marvin Shurbet of Petersburg to that board.

Daniel also appointed: Dan Melton, Lufkin insurance man, to the Neches River Conservation District board; Fred Mercer of Silverton and Arville Setliff of Turkey to the Upper Red River Flood Control board.

Jack Douthit of Sterling City, Dale Leddy of San Angelo and L. T. Youngblood of Bronte were reappointed to the Upper Colorado River Authority; J. W. Mullins of Coleman and Isaac S. Pate of Voss were named to the Central Colorado River Authority, and O. L. Cheaney of Santa Anna reappointed.

Mrs. James P. Hart of Austin (wife of the former chancellor of the University of Texas), W. R. Beaumier of Lufkin, and Vann M. Kennedy of Corpus Christi were named to the Texas State Historical Survey Committee.

TURMAN SEEKS POST

James A. Turman, who ran for lietenant-governor last year and lost, wants to return to his favorite field -- education.

The 35 - year - old Speaker of the House quickly advanced in the field of education before he became a legislator eight years ago. He earned a doctorate in education, then became assistant professor of education and assistant to the president at Texas Woman's University.

He has asked the Texas Commission on Higher Education to consider him a candidate for it's post of executive director.

SCHOOL FUND STILL GROWING

The Permanent School Fund, that provided more than $21,000,000 of non - tax money for use in public schools in 1962, now consists of investments totaling more than $477,000,000.

Furthermore, it should continue to grow, since the current rate of return on corporate securities, treasury bonds and municipal bonds has increased from 3.38 per cent to 3.51 per cent.

In the past 25 years, the Fund has earned more than $162,000,000 in interest through investments made by the State Board of Education.

WEATHER WOES

CUT PRODUCTION

Weather played havoc with almost every major crop in the state in 1962 and caused crop production to hit its lowest point since 1957.

U. S. Department of Agriculture reports that the 1962 crop index fell nine per cent below the 1961 level to 127.0. All - time high of 145.0 was set in 1939, and the 1961 level was second highest.

Crops hardest hit were: wheat, down to 43,700,000 bushels or 49 per cent below 1961; citrus, down to about six per cent of 1961 production; sorghum, down 12 per cent; cotton, down 106,000 bales -- to 4,680,000 bales.

Production of corn, peanuts, soybeans and rice was down. However, yield per acre was up over the previous year.

Weather's costly whims cut the total value of 1962 crops to $1,400,000,000 -- or eight per cent below the 1961 value. Cotton lint and cottonseed accounted for 57 per cent of the total; sorghum grain, 14 per cent; and wheat, six per cent.

RETURN OF DIGNITY

Speaker - elect Byron Tunnell of Tyler said he's going to restore dignity to the House, where legislation frequently resembles a trading boom at the New York Stock Exchange.

He warned legislators that they can no longer have secretaries work at their desks and relatives will not be allowed to sit with them, except on very special occasions.

WORM ERADICATION FUNDS SHORT

The Southwest Screwworm Eradication Program -- which succeeded in cutting screwworm cases by 75 to 90 per cent in less than a year -- will be halted March 31, unless livestock producers raise another $1,000,000 by that date.

Charlie Scruggs, president of the Southwest Animal Health Research Foundation made that announcement on behalf of SWAHRF's board of trustees.

The three - year eradication program, initiated last January, cost an estimated $12,000,000. The federal government was to pay $6,000,000, the livestock products, $3,000,000, and the state $3,000,000

But so far the farmers and ranchers have donated only $2,000,000.

Scruggs said, "The plan was based on 100 per cent participation, and this has not been the case, although there have been commendable contributions in some counties."

ECONOMIC HEALTH

Texas Bank Deposits are continuing to set records almost every where.

A survey of major cities was made after the state banking commissioner and the U. S. compitroller ordered condition reports as of December 28.

The December 28 date caught many banks by surprise. They were anticipating the call date to be December 31.

Some bankers said the difference in dates prevented them from reporting even higher figures. Last day of the year usually is a high mark for bank deposits.

TARGET FOR NEW AG

Texas' new attorney general has pledged a positive campaign against juvenile delinquency as one of his major projects.

Atty. Gen. Waggoner Carr addressed an overflow crowd at his swearing - in ceremonies in the Courts Building.

He said that delinquency is neither normal nor universal among our juveniles. "On the contrary, a respect for the law is far more common among young people than is disrespect," Carr stated.

Carr also pledged to "continue vigorously" investigations begun by his predecessor, Will Wilson, into the East Texas slant - hole oil well scandal and the Billie Sol Estes case.

Although piedging no encroachment on local responsibility, Carr warned that in any instance where officials "fail in their trust to this state", he will not hesitate to step in "to correct the situation within the boundaries of power and authority."

TAX TAKE GROWS

Receipts from sales of cigarette, liquor and wine stamp sales totaled $8,414,358 during December, State Treasurer Jesse James reports.

Receipts totaled $7,300,000 from cigarette stamp sales; $1,000,000 from liquor stamp sales; and $91,414 from wine stamp sales.

December, 1961, receipts totaled $7,925,997.

THE OLD PHILOSOPHER

Philosopher Works Out A New System Of Telephone Numbers For The Entire World

Dear editar:

It has long been my theory that if the world keeps on acquiring more scientific knowledge and stacking up more history, the time will come when there'll be too much of the stuff for the human mind to master. A boy will have to go to school 65 years in order to learn enough to face the world the last few years of his life.

This theory has been underscored by an article I read in a newspaper yesterday afternoon which fell out of a car on the road near my house sometime New Year's Eve and which was only partly torn by broken glass. According to it, the telephone company has about run out of ordinary numbers for telephone listings, and instead of having to memorize two letters and five numbers, some subscribers now have to memorize seven numbers, if they want to dial home.

This is explained by the fact the number of telephones is increasing by leaps and bounds. In fact, they doubled since 1951, and it's getting worse as more and more people are born. The United States alone has over 70 million, or 40 telephones per 100 persons. Russians have only two telephones for every 100 people, which is all right as they're generally afraid to talk over those.

But what I started out to do was figure out a solution for the telephone company. As I understand it, since there are only 26 letters in the English alphabet and there aren't many phones in China, the combination of prefixes, using letters, is limited, and the possibilities have about been exhausted, hence the use of seven numbers, with the alphabet dropped altogether.

The solution to this problem is simple. Just start with the number 1 and keep going, with people having bigger and bigger numbers until the last man with a phone winds up with something like 123-4567891234567891234567891234567891 - 00000000006.

You have no idea how much peace of mind a man could get with a telephone number like 123-4567891234567891234567890000000000 - 0006.

Yours faithfully,
J. A.

COTTON GIN

A miniature cotton gin in the Agricultural Egineering Department at Texas A & M College is helping evaluate cotton mechanization research, says B. G. Reeves, extension cotton gin and mechanization specialist. The gin is used to handle samples from the research projects being conducted at different locations in the state, he says.

Farmers, Ranchers Reminded Of Jan. 15

Farmers and ranchers were reminded today that Tuesday, January 15, is the last day for filing their estimated federal income tax returns for 1962, unless they plan filing their final return on or before February 15.

A. P. Andrews, Administrative Officer of Internal Revenue Service in Temple, explained that those farmers and ranchers who file an estimated return on January 15 and pay the tax due thereon have until April 15 to file their final return and pay any balance of tax due. Otherwise, the law requires that they file their final return and pay the full amount of the tax due by February 15.

The IRS representatives cautioned that this option is available to fanmers and ranchers only. Tax law defines a farmer or rancher as one who earns two - thirds or more of his gross income from farming or ranching. He advises farmers and ranchers that if they filed a federal income tax return last year the necessary forms for this year will be mailed to them. For those who did not file, or for some other reason diunot receive their forms in the mail, blank forms are available from any Internal Revenue office or from post offices or banks.

Take your problems to Church this week *millions leave them there!*

Positive vs. Negative

The old saying, "People Who Live in Glass Houses Shouldn't Throw Stones," is truly a sentence sermon. Of course the gold fish forced to live in the glass bowl, pictured above, would, if they could be justified in throwing stones as a matter of self preservation. But the figurative stone throwing referred to in the proverb is never justified.

It is so easy to fall into the habit of speaking disparagingly of others, even our friends -- to review their faults when they are not present. It is easy because it is a negative practice. Many of the faults we criticize in others we ourselves possess. To avoid this practice and to speak only of the good in others is a positive attitude, perhaps more difficult to practice at first, but ennobling.

There is a school where we may be aided in discarding or avoiding the harmful negative practices and in acquiring the valuable positive ones. That school is not far from your home. It is the church of your faith, where attendance will help place a plus sign beside your life and personality.

Milano — Sims Family Has Guests For Holiday Dinner

Guests in the home of Mr. and Mrs. Charlie Sims for Christmas dinner were Mr. and Mrs. Denson Rubac and daughter Sherry of Buckholts and Mrs. Beatrice Leatherwood and families.

Mr. and Mrs. Tom Rowland of Bay City were guests in the home of her mother Mrs. T. C. Westbrook over the weekend. Mrs. Westbrook accompanied them home for a few days visit.

Miss Carolyn Brymer of Austin spent Christmas day at home.

Mrs. Pearl Williams has returned home after spending the Christmas holidays in Houston in the home of her sister Mr. and Mrs. Lewis Rush and her niece Mr. and Mrs. George Trammel and children George Glenn and Cindy.

Mr. and Mrs. Carl Taylor and son Rickey of Livingston visited relatives and friends here during Christmas.

Visiting in the home of Mr. and Mrs. Giles Yoakum during Christman were Mr. and Mrn. Cole Yoakum of Dallas and Mr. and Mrs. Walter Wentzel and baby of Rockdale.

Mrs. Dan Robinson returned home Thursday after spending Christmas in Temple with her children Mr. and Mrs. Arthur Moore and Mr. and Mrs. Howard Manley.

Mrs. Lila Smith and granddaughter Carol spent the Christmas holidays with her granddaughter Mr. and Mrs. Will Dalhman and family in Brenham.

Bill Young visited his brother Mr. and Mrs. John Young and family in Lott Sunday.

Mr. and Mrs. Claude Jackson of Houston visited Sunday in the home of his sister Mr. and Mrs. Travis Baggett. They also visited in the home of Mrs. W. F. Hooker. Mr. and Mrs. Claude Hooker and Mrs. Maud Lantrip and son George. They were enroute to Dallas to visit his sister Mrs. Stuart.

Mr. and Mrs. Denson Rubac and little daughter Sherry visited her mother Mrs. Beatrice Leatherwood and family Sunday.

Guests in the home of Mr. and Mrs. G. W. Hillard were Mr. and Mrs. Worthy Hilliard of Inleside and Miss Lessie Mullins of Port Arthur.

Mrs. Bessie Brooks spent Christmas Day in the home of her daughter Mr. and Mrs. George Lumpkins in Rockdale.

Mrs. Carlos Sloan is a patient in the St. Edward Hospital in Cameron.

Mr. and Mrs. Gail Davidson and baby visited over the weekend in the home of his parents Mr. and Mrs. Bill Davidson in San Marcos.

Guests in the home of Mr. and Mrs. G. C. Sloan and Mrs. Stevenson for Christmas dinner were Mr. and Mrs. Collie Gerdes and daughters Linda and Susie of Caldwell. Mrs. Lucile Kerns of Hearne, Gratt Sloan of Brenham, Phelix Ryan of Chriesman and Mr. and Mrs. John Myrick.

Mrs. Ray Miller and daughter Linda Rae visited last week in Austin where they were guests in the home of her sister Mr. and Mrs. Shorty Click and family.

A Christmas program was enjoyed at the Friendship Baptist Church Dec. 20. A large crowd attended and enjoyed the fellowship and a program.

Visiting in the home of Mr. and Mrs. F. B. Burks for the Christmas holidays were Rev. and Mrs. Billy Sparks and children Brenda, Linda, and Marlin of Perryton, Mr. and Mrs. Leroy Sparks of Dallas, Mr. and Mrs. Charles Denman of Minerva, Mr. and Mrs. Nickel Whitley of Rockdale, Mr. and Mrs. Johnny Denman of Hearne, Mr. and Mrs. Ira Denman of Gause and Rev. Calvin Springer of Wichita Kans.

Guests through the holidays in the home of Mr. and Mrs. Ray Miller and family were Mr. and Mrs. H.E E. Franks of Houston, Mr. and Mrs. G. N. Elmore of Austin, Mrs. Gladys Childress of Austin, Mr. and Mrs. Shorty Click and two boys and Billy Stevens of Austin, M-Sgt. and Mrs. Jay Hutchinson and children of Lawton Okla., Mr. and Mrs. Carrol Davidson and children, Irene Miller and children of Rockdale and Ray Offield of Rockdale.

Visiting in Miss Gertrude Jones' home during the Christmas holid - days were Mr. and Mrs. Harry Pevito and family of Buna.

Miss Lottie Butts of Austin was home during the holidays.

Mr. and Mrs. Bill Martin and children Billy and Timmy of Weslaco visited in the home of her parents Mr. and Mrs. Taylor Lagrone last week. Martin was enroute to Fort Worth to make a film of a football game which they will use on television in Weslaco where he is employed.

Mrs. Taylor Lagrone will enter the Newton Memorial Hospital in Cameron Wednesday where she will undergo surgery.

Mr. and Mrs. Ronald Westbrook are the proud parents of a baby girl who has been named Debra Kay.

Sh earrived Dec. 25 at 3:45 a. m. at the Richards Hospital in Rockdale. She has three brothers to welcome her.

County Agents Notes...

Black - Eyed Peas For Good Luck

By J. D. Moore
Milam County Agent

Did you serve black - eyed peas for good luck on New Years Day? Just how this tradition originated is lost in the kind of word - to-mouth folklore passed from one generation to the next. Since black-eyed peas were first grown in the south prior to the Civil War, the tradition most likely started there, reports the Agricultural Marketing Service.

There is ample luck in store for you in 1963, if luck can be measured by the ample supply of blackeye peas.

Some say the custom hinges on the superstition that those who eat blackeye peas and cornbread -- both inexpensive and humble foods --show their humility and thus save themselves from the wrath of heavens because of the vanity they might have. Another theory is that in the hard years after the Civil War, many southern families had nothing more for holiday feasting them hog jowl, blackeye peas and cornbread. Any good luck they had in the new year was jokingly attributed to the humble fare.

Also, in the early days, only dried blackeye peas were served on New Year's Day because there were no other ways to preserve the lentils.

Even though self - sacrifice and humble living were admirable characteristics of our forefathers, it is hardly likely that we will be able to live by these virtues alone in 1963.

INVESTMENTS ARE COMPLICATED

With the inevitable inflation in land values, net profits from agricultural investments will be a major problem in 1963. Farmers and stockmen are advised to take a look at their investments. With land values going from $150 to $200 per acre, higher yields or increased carrying capacity should be considered. Farming or ranching as a hobby or just as a "way of life." are hardly acceptable from an investment standpoint. Agricultural progress will be made in 1963 by those who look ahead and plan ahead.

The new 1963 edition of the Farmer's Tax Guide is now available at the county agents office.

EI&E

By John E. Senll
Co. Agri. Agent

COMMUNITY IMPROVEMENT PROGRESS REPORT

The Community Improvement Program has been set up in the county to stimulate individual family and community effort toward farm, home and community improvement. The objectives are to make farm, home and community life more desirable and satisfying as well as more profitable and stable for farm families.

There are four communities in the county participating in the program this contest year. They are Branchville, Davilla, Gause and Griffin Chapel. The most recent of these communities to enroll in the program is Branchville. This community has organized and as a group the people have identified things that they are proud of in the community, things that they are not so proud of and things that they would like to improve. As a result of this the community is launching a campaign to clean its cemeteries, beautify church buildings and campuses, improve roads, homes and agricultural production.

The Gause community has completed its water testing program and all families that submitted water samples to the state health department have received the results of the test. The community sponsored a rodent control program in December which featured Virgil R. Parsons as guest spekaer. All communities enrolled have stepped up their efforts so that all planned improvemets will be accomplished by the close of the contest year which is March 31, 1963.

Careless Use Of Chemicals In Poultry

COLLEGE STATION — The development of chemicals to control poultry insects has been one of the major contributions of science to the commercial poultry industry, says Ben Wormeli, extension poultry husbandman, Texas A & M College. But the careless use of these chemicals by the producer can be very dangerous to himself, his flock and the people who eat the meat and eggs, he continues.

An important precaution is using any type of insecticide is reading the label. The label on each container of chemical in interstate commerce is based on evidence that it meets the legal requirements of the Federal Food and Drug Administration. The Texas Food, Drug and Cosmetic Act gives the Texas Department of Health authority for pesticide commerce within the state and its regulations conform with those of the Federal Food and Drug Administration, says Wormeli.

The Federal Food and Drug Administration has established the tolerance amounts of these chemicals that can be found in poultry, meat and eggs for human consumption. The tolerance amount in eggs and milk is zero for the commonly used pesticides, therefore the chemicals used on laying hens must be selected carefully, Wormeli advises.

In poultry meat a tolerance of 4 or 5 parts per million is allowed for certain chemical compounds. Chemicals used for fly control in poultry must be selected and applied with care to avoid contamination of water and feed, the husbandman says.

Each poultryman is interested in protecting the wholesomeness of the meat and eggs that he produces. The prudent use of chemicals is an important part of a good management program and negligent use of them can lead to legal prosecution, according to Wormeli.

Contact your county agent for more information on the proper use of chemicals on poultry.

THE CAMERON HERALD

Burlington Man Consigns Cattle

FORT WORTH — Robert Hoelscher, Burlington, has consigned cattle to the famed Southwestern Hereford Sale, held annually in conjunction with the Southwestern Exposition and Fat Stock Show, Fort Worth.

Hoelscher's entries will be sold along with those from 31 Texas firms and additional entries from four other states. Sale cattle will be judged on Sunday, January 27, prior to the auction on January 29.

1962 WINNER

Paul English, a Deaf Smith County 4-H boy, made the top yield in the Texas Hybrid Grain Sorghum program for 1962. His yield of 8,521.2 pounds an acre was made under irrigation

4-H Club Notes

Winners in 1962 Statewide Hybrid Grain Sorghum Program has been announced by Ben Spears, extension agronomist at College Station. He said the program followed the state pattern and were lower than those for the year before.

A Deaf Smith County 4-H boy, Paul English of Hereford, took the area and state championship with a yield of 8,521.2 pounds an acre.

Dryland winners for the area composed of Extension 4, 5, 8 and 9 included Judy Beckhusen, Milam County 4-H, second place winner.

Milam County 4-H members made a clean sweep of the irrigated division for the eastern and southern sections of the state by taking the four awards offered. The winners were Judith and Joe Paul Mueck, second and third place winners and Martin and Jane Mueck, fourth and fifth place winners. All planted RS 610 and their yields varied from 6,950 pounds an acre to 5,716.9 pounds.

Norvill Todd, Nacogdoches, has been named state champion in the 1962 Texas Hybrid Corn Program.

Spears also listed in the dryland division in Extension Districts 4 and 8 Jane and Judith Mueck of the Milam County 4-H, as fourth and fifth place winners.

SAFETY RESOLUTIONS

Did you make New Year's resolutions covering farm safety? There is still time to make plans now to prevent accidents on your farm and in your home, says the Texas Farm and Ranch Safety Council. They might be responsible for your being around next year.

Milam ASCS Report

The signup period for the 1963 feed grain program for corn, grain sorghum and barley will be from February 1 through March 22, 1963, Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service has announced.

Of a few provisions which are slightly different from previous years the principal one is the price support payment which will be available to farmers participating in the program in adddition to the regular price support loans and purchases agreements.

Sanders gave these highlights of the 1963 feed grain program.

For small farms -- with total feed grain base acreage of 25 acres or less -- on which the producer diverts the entire feed grain base acreage, the payment rate will be 50 per cent of the county support rate on the normal production of the diverted acres. The county support rate reflects the recently increased national average support prices of $1.25 per bushel for corn, $2.00 per hundredweight for grain sorghum, and 96 cents per bushel for barley.

For other feed grain farms, the payment on the first 20 per cent reduction from the base acreage will be at 20 per cent diversion above the minimum requirement, payment will be at 50 percent of the county support rate. The maximum diversion is 40 percent of the base acreage or 25 acres, whichever is larger.

In addition, participating farmers (except those on small farms who divert all their feed grain base acreage) will receive price support payments on the normal production of their 1963 planted feed grain acreage, without regard to whether they feed their grain, market it, or place it under loan. The payments will be figured on the farm's normal yield regardless of the actual yield on the farm in 1963. These payments will be 18 cents per bushel for corn, 14 cents per bushel for barley and 29 cents per hundredweight for grain sorghum.

Crops from participating farms also become eligible for price support loans or purchase agreements at the county loan rate (reflecting national averages of $1.07 per bushel for corn, 62 cents per bushel for barley and $1.71 per hundredweight for grain sorghum.)

Eligibility for diversion payments and price support in 1963 is contingent upon the farmer's diverting an acreage equal to the total intention shown on his agreement. Advance payments will again be available at the time of signup. Final payments under the diversion program and price support payments will be made after compliance has been determined, Sanders said.

School Census

Forms Sent Out

School census forms have been sent out to patrons in the Cameron School District, according to Supt. Charles Zeigler.

He urged parents to complete the forms and return them to the Superintendent's Office as soon as possible this week.

Supt. Zeigler emphasized the importance of parents of pre schoolers reporting their youngsters who will enter the first grade in the fall of 1963.

The census is an annual survey conducted by school personnel.

Stanley Hromcik Jr. is at home on 30 day leave from Italy visiting his wife and new son, Stanley Ray. Grandparents of the new baby, born Dec. 26 are Mr. and Mrs. Stanley Hromcik and Mr. and Mrs. Ray Heuchen both of Ft. Worth.

Card Of Thanks —

We wish to thank friends and relatives for the many wonderful contributions and assistance given us during our recent accident.

God Bless each one of you

Mr. and Mrs. Alvin Dodd and sons of Walkers Creek were visitors of Mr. and Mrs. Leonard Doskocil and children Thursday night.

TP&L Plans To Let $26,000,000 In '63 Contracts

Texas Power & Light Company will spend $26,100,000 in 1963 for construction of new facilities, including the first stage of construction of a new steam - electric generating unit, with site to be announced later, W. W. Lynch, TP&L president, reported.

Lynch said engineering studies now being completed will determine the site of the new unit. It will be the largest on the TP&L system.

He said a large portion of the 1963 expenditure will be used to continue the building of the new 345,000 volt transmission line being built by the Company and three other electric companies.

To be constructed in 1963 are several new 138,000 volt transmission lines in areas served by the Company. The new 138,000 volt lines be constructed from Stryker Creek to Lufkin and from Dublin to Brownwood. Transmission line service will be improved in the Tyler area and in the Mesquite - Seagoville Ferris - Hutchins areas. Lynch added right - of - way purchases will begin for other transmission lines during the year.

New substations will be constructed in Richardson and Carrollton and some TP&L offices will be remodeled in 1963. Improvements also will be made to the Company's distribution system.

Lynch said the nation - wide electric industry increased generating capacity 11.3 million kilowatts during 1962, reaching an estimated total of 199.9 million kilowatts. This was reported by the Edison Electric Institute, he added this year by Lynch.

"The United States is far ahead of the Soviet Union with nearly three times the Russian generating capability and the U. S. again increased its lead in 1962," he reported.

The president stated that with the addition of new large transmission lines planned by the industry, America's interconnected grid systems of electric power will be capable of a greater coverage of the U. S. Between 1960 and 1970 the investor - owned companies plan to build about 100,000 additional miles of back - bone transmission lines at an anticipated cost of over $8 billion.

Miss Taylor Lagrone visited her sister Mr. and Mrs. Leonard Morgan in Gause last week.

Visiting Mr. and Mrs. John Myrick Monday were Mrs. H. C. Black and her daughter Mrs. Allen Wallace of Temple.

Miss Binge is a sister of Mrs. J. D. Lewis, Jr.

LeRoy Barkemeyer who is a surgery patient at St. Edward Hospital in Cameron is reported to be improving satisfactorily.

Texans Create Fund

100 Years Ago

The Texans who created a Permanent School Fund more than 10 years ago left a memorial every Texas tax payer can understand and appreciate today.

In size of the Fund and money earned, no other state in the Nation has a comparable source of non - tax funds dedicated solely to public education.

The Fund provided more than 21 million dollars of non - tax money for use in public schools in 1962, a sharp increase of about three million dollars more than in 1961.

The increase in revenue is attributed to investment in corporate securities, the refunding of certain treasury bonds and normal growth of the investment account.

Investments in the Texas Permanent School Fund totaled more than 477 million dollars at the end of November, 1962, and current rate of return from the Fund has been increased from 3.38 per cent to 3.51 per cent.

In the past 25 years, the Fund has earned in interest more than $162,000,000, not including money transferred from the principal.

Inspection Date Set For April 15

AUSTIN — Col. Homer Garrison, Jr. Director of the Texas Department of Public Safety, today urged Texas automobile owners to "do their shopping early" this year to reduce the last minute rush for inspection stickers.

All vehicles coming under the provisions of the Texas Vehicle Inspection Act must secure the 1963 Inspection sticker by April 15, 1963 After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles will be subject to arrest, Garrison said.

He reported that approximately one half of the inspection period had expired and about one fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.
